### INDEPENDENT AUDITOR'S REPORT

### To the Members of Manawatu Marine Boating Club Incorporated

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of Manawatu Marine Boating Club Incorporated (the entity), which comprise the statement of financial position as at 30 June 2021, and the statements of financial performance, statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the entity as at 30<sup>th</sup> June 2021, and its financial performance for the year then ended in accordance with Public Benefit Entity Standards Reduced Disclosure Regime.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Entity in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Other than in our capacity as auditor we have no relationship with, or interests in, the entity, except participating in events provided on normal terms of non-members.

#### **Other Information**

The executive Committee are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

### **Executive Committees Responsibilities for the Financial Statements**

The Executive Committee of the entity are responsible for the preparation of the 30 June 2021 financial statements in accordance with the Public benefit Entity Standards reduced Disclosure Regime and for such internal control as the Committee determine is necessary to enable the preparation of the 30 June 2021 financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether by fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISA (NZ) 700 will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

# Manawatu Marine Boating Club Incorporated Notes to and forming part of the Financial Statements

### For the Year Ended 30 June 2021

## 1 Statement of Accounting Policies

### Reporting Entity

Manawatu Marine Boating Club Incorporated was incorporated under the Incorporated Socities Act 1908 on 17 June 1970.

### Statement of Compliance and Basis of Preparation

The accounting principles recognised as appropriate for the measurement and reporting of the Combined Statement of Financial Performance and Statement of Financial Position on a historical cost basis are followed by club, unless otherwise stated in the Specific Accounting Policies.

The information is presented in New Zealand dollars. All values are rounded to the nearest dollar.

### Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of the Combined Statement of Financial Performance and Statement of Financial Position have been applied:

### (a) Revenue Recognition

Revenue is recognised when earned.

### (b) Inventories

Inventories are recognised at lower of cost and net realisable value, determined on a first-in first-out basis.

#### (c) Trade Receivables

Trade Receivables are recognised at estimated realisable value.

### (d) Property, Plant & Equipment

Property, Plant and Equipment are recognised at cost less aggregate depreciation. Depreciation has been calculated using the maximum rates permitted by the Income Tax Act 2007. In 2016, the ramp was revalued by \$100,000.

### (e) Income Tax

Income tax payable on profits is not recorded in the financial statements as no income tax is required to be paid on operating surplus for sporting clubs.

### (f) Goods and Services Taxation (GST)

Revenues and expenses have been recognised in the financial statements exclusive of GST. All items in the Statement of Financial Position are stated exclusive of GST except for receivables and payables which are stated inclusive of GST.

### (g) Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on a basis consistent with those from previous financial statements.

# Proposed changes and remits to the Constitution (Constitution available at <a href="https://www.mmbc.org.nz">www.mmbc.org.nz</a>) Submitted by the 2020/2021 MMBC Executive Committee

### REMIT 1

### re Manawatu Marine Boating Club Electronic and/or Postal Voting

The Executive Committee shall have the authority to investigate and if deemed appropriate implement an electronic and/or postal voting system for the Manawatu Marine Boating Club (MMBC).

The MMBC has a membership of +/- 1,450 at present (assuming 2 members per family membership).

MEMBERSHIP SUMMARY AS AT 30 JUNE 2021 CLUB

Individual Members 154

Family Members 657

Complimentary Members (including 8 Life Members) 32

The MMBC has +/- 850 voting members (1 vote per individual membership and 1 vote per family memberships). Currently members have to be present at the meeting when the membership of the MMBC is required to vote. Historically voter turnout has been +/- 15%. As per the last 2 opportunities the membership of the MMBC has had the opportunity to vote (2020 AGM and Special General Meeting 2021). An electronic and/or postal voting system would provide for a far greater percentage of the membership to actively partake in the voting process.

In the event the Executive Committee elect to adopt an electronic and/or postal voting system for the MMBC the following would apply:

- Voting rights would remain the same as catered for in the current MMBC constitution, one vote per individual, couple and family membership.
- Only full financial members shall have voting rights
- Electronic and/or postal voting will be available for all occasions that the membership of the MMBC is required to vote
- The electronic and/or postal voting system would be available/open for up to 14 days prior to 12.01am on the day before the date of the meeting that the membership of the MMBC is required to vote.

### REMIT 2

# Authority for the Executive Committee to trial Summer Membership for one year Proposer: Executive Committee

The Executive Committee has the authority to instigate a summer membership structure on trial for one year should they elect to do so.

By definition, a summer member would have all the same club privileges as a full member but for a defined period of time, not greater than 10 weeks. However, they would not be eligible to vote or hold any position on the Executive Committee.

The cost of summer membership would be determined by the Executive Committee but would be no less than 50% of a full membership fee.

If there were to be a joining fee for summer membership this would be determined by the Executive Committee.

### The Rationale

The rationale for providing the Executive Committee authority to trial summer membership is because the current constitution does not allow for summer membership.

Summer membership has been discussed at an Executive level a number of times over the years. There have been mixed feelings about the pros and cons of such a concept. One of the main negative factors against introducing the summer membership has been uncertainty about the implementation of the summer membership and the question of whether it adds value for the Club and its existing members.

The Club is currently installing a new Point of Sale cash register system at both the bar and restaurant. This system will enable the Club to provide a discount to members and ensure non members do not gain Club privileges as they have in the past. The Executive Committee wants to ensure that over September and October the new system is fully implemented and if it meets the expectations the Executive may want the opportunity to trial summer membership using the new system. This remit gives the Executive authority to trial summer membership for one year, should they wish, to ascertain whether it is beneficial for the Club.

Note that if the Executive does decide to go with summer membership this year and it works well, this time next year there may be a remit for summer membership to be offered annually.

### **REMIT 3**

Proposed by Susan McPhee seconded by Susan Hoskin.

### Clause 12 (e)

Seven (7) Members of the Executive shall form a quorum.

### Proposed change

Seven (7) **elected** Members of the Executive shall form a quorum.

### Rationale

The Secretary and Treasurer are part of the Executive team and as such are included in a quorum count but have no voting rights (Clause 12 (g)). Definition of a quorum is: The minimum number of members required for a group to officially conduct business and to cast votes. As the Secretary and Treasurer cannot cast votes, they should not be included in the quorum.
